

# The Reach Centre

Arc's wellbeing hub for individuals experiencing homelessness

Arc's Reach Centre offers a safe, professional and clinical space for multi-agency use, allowing for a provision of services to be offered and easily accessed by the local homeless community, including those who are rough sleeping. Our aim is to provide a hub to assist with health and wellbeing through partnership working. The Reach Centre includes a GP Clinic and Treatment Room, alongside 6 multi-purpose rooms which are suitable for meetings, training, workshops and more. A short description of our rooms are included below. Each room has been set up to provide a variety of options for use, but please get in touch if you have specific requirements and we will be able to advise. All of our wellbeing hub rooms have access to wi-fi, bathroom and kitchen facilities.

## Room 1

An informal meeting area with a three seater sofa and two arm chairs. There is a wall mounted screen, suitable for projecting from a laptop.

## Room 2

Ideal for counselling type services, this room has a comfortable 1-to-1 seating arrangement. A wall mounted screen is available for presenting from a laptop.

## Room 3

Suitable for 1-to-1 appointments, as well as offering a small desk space, and a wall mounted screen for presentations.

## Room 4

Perfect for multiple laptop/device users, Room 4 has a worktop-style seating arrangement for 3 people, as well as space behind for additional seating.

## Room 5

Seating for up to 4 people for small, casual meetings.

## Room 6

Meeting room with table seating 6, comprising of flip board facilities and room space for additional guests.

## GP Surgery

Two clinical rooms specifically designed to offer healthcare and medical type services. A treatment room (right image) comprising of an examination couch, privacy screen, desk, and medical waste disposal facilities. A second room comprises of a desk and a 1-to-1 seating area. There is a small seated waiting area for these rooms.
